Twitter G Roadmap Guide

About the project
There are many myths, tales and fairy tales in East Asia.
In this story, many gods and youkai appeared and created new stories with people.
These stories meet Cardano and work with Cardanian to write a new fairy tale.
Through K-MONSTERZ, gods, fairies, and monsters will meet you and create new values.
Have a god who protects only you.
Have a fairy just for you.
There are youkai who want to play with you.
K-MONSTERZ's CNFT has a growing story.
To expect. Now a new world is coming to Cardano.

Story

GUMI's tail, which had not grown before, began to grow. GUMI found someone she loved so much in Cardano. Gumi, who has become seven tails, greets you. Can you be the love of Gumi? Remember that you have to be with all the times of Gumi to become the true love of Gumi.

Roadmap

Our NFTs are designed to purchase NFTs that are finally sold only after continuing to purchase by series.

Our goal is to make short animations.

The characters of these NFTs appear.

The final NFT buyer of the series is embodied as a character in the anime.

Please remember our goals.
